Welcome: Appt: _____ in the _____ Office@ _____
Please arrive 15 minutes before your scheduled appointment time

We would like to take this opportunity to welcome you to our medical practice. We look forward to providing you with quality healthcare. Enclosed you will find paperwork that must be filled out and brought with you to your appointment. **Please do not mail these back to our office.**

In order to be respectful of the medical needs of our patients please be courteous and call at least 24 hours prior to your appointment if you are unable to attend. This time will be reallocated to another patient who is in need of treatment. This is how we can best serve the needs of all of our patients.

If you have an **HMO** insurance, *it is your responsibility* to obtain a referral from your Primary Care Doctor. If at the time of your appointment, a referral has not been received, you will have the option of rescheduling your appointment or to be seen as a cash pay patient.

Should you have a true emergency, **after** your initial appointment, and need to speak with Dr. Krzeminski during non-office hours, please call our office @ (817) 573-6673. You will be connected with the answering service, who can then page the doctor.
